

## KILT RENTAL MEASUREMENT FORM

*If you order a rental item or outfit online, you can input the relevant measurements there. This is a great sheet for groomsmen, for instance, to send in after a rental order has been placed.*

Name \_\_\_\_\_

Contact Phone or Email \_\_\_\_\_

Party Name \_\_\_\_\_

Event Date \_\_\_\_\_

### General Measurements:

Height \_\_\_\_\_

Weight (Optional) \_\_\_\_\_

### Measurements for Shirts:

Neck Size \_\_\_\_\_

(have someone measure around the base of your neck)

Sleeve Length (optional) \_\_\_\_\_

(with your arm down at your side, have someone measure from the midpoint of the back of our neck, over the shoulder and down to the cuff)

### Measurements for Jackets and/or Waistcoats:

Jacket Size \_\_\_\_\_

(use your dress coat size or have someone measure around the widest part of your chest, under the arms)

Length (Short, Regular, or Long) \_\_\_\_\_

(Short is about 1" shorter than Regular, Long about 1" longer)

### Measurement for Kilts:

*\*Take extra care with this measurement. The kilt is worn higher than pants, and an accurate measurement is needed for proper fit.\**

Waist Measurement 1" Above Navel \_\_\_\_\_

(Have someone measure around your waist at a point 1" above your navel. The tape should be snug.)

### Measurement for Footwear

Dress Shoe Size \_\_\_\_\_

(You can just give the size of your favorite dress shoes. Unfortunately, ghillie brogues are available in only one width.)

### Measuring Tips

- If possible, have someone else take the measurements
- A soft measuring tape works best
- The kilt waist measurement is very important and is often much different than pant size
